BOARD ADMINISTRATION

2. CALIFORNIA SPECIAL DISTRICT ASSOCIATION FORMATION MEETING - COMMITTEE

Manager Ray informed the sub-committee that this meeting has been postponed until March 27, 1991.

3. MANAGERS REPORT

Legal Counsel Shaw stated that J. Miller was right when he stated that the District had the right to do other things beside water and sewer. (Information available in B/S Resolution No. 18-65, "RESOLUTION ORGANIZING NIPOMO COMMUNITY SERVICES DISTRICT, FIXING THE BOUNDARIES THEREOF, STATING THE PURPOSES FOR WHICH IT IS FORMED AND DECLARING DIRECTORS ELECTED").

Director Fairbanks asked how the grading plan for the new facility is coming along? Ryder stated that we should be advertising for bids very soon.

Also mentioned was the fact that Ryder had attended the Water Committee Meeting at the County Board of Supervisors today. Ryder stated it appears that the Supervisors plan to have an overall control of water without adjudication, not only surface but groundwater as well.

There are 17 water purveyors on the mesa. In the near future it be may that some could pump and others would not be allowed to do so. Also, every new well drilled along with other established wells might soon be metered in order to control the ground water.

FINANCIAL MANAGEMENT

4. BANK OF AMERICA INTEREST PAYMENT DUE MARCH 2, 1991, AND PAID FEBRUARY 28, 1991  
Information only.

5. CLAIMS

Manager Ray stated that he would check the cross-connection charges to see if it would be feasible for the District to collect the charges and pass the costs on to the residents instead of the County collecting all the revenue.

Director Small moved, seconded by Director Mendoza and unanimously approved by the Board to have Manager Ray research this matter and proceed.

LAND DEVELOPMENT

6. MASTER SEWER PLAN PROPOSAL FOR AREAS EASTERLY OF ORCHARD AND EASTERLY OF POMEROY WITHIN THE DISTRICT  
The cost of doing this would be \$4,000± to have Westland Engineering do the design work.

On the motion of Director Small, seconded by Director Fairbanks and unanimously approved by the Board to authorize Manager Ray to pursue the project of getting professional services.

OTHER BUSINESS

7. RESOLUTION CALLING FOR AN ELECTION ON THE STATE WATER PROJECT

Manager Ray stated that Resolution No. 435, adopted at the last meeting would be sent to the Elections Board in order to get on the ballot in November.

8. RESOLUTION ENCOURAGING COUNTY OPERATION AND MAINTENANCE OF SMALL NEIGHBORHOOD PARKS

This item to be continued to a later meeting.

9. EMERGENCY INTER-TIE WITH CALIFORNIA CITIES WATER COMPANY

Legal Counsel Shaw submitted a draft "Agreement for Water System Interconnection for Emergency Purposes Only" and thought that a sub-committee might want to study it.

On the motion of Director Small, seconded by Director Fairbanks and unanimously approved by the Board to send the District draft agreement to sub-committee along with the California Cities Water draft Agreement for Interconnection.

13. REQUESTING AUTHORIZATION TO PURCHASE WATER LATERAL BORING MACHINE FOR \$850.00

Ryder informed the Directors that this machine is used when working in adobe, and along with the machine there are drills, bits, etc. Well worth the money.

Director Small moved to authorize payment of the lateral boring tool. Motion seconded by Director Fairbanks and unanimously approved by the Board.

14. DIRECTORS COMMENTS

15. PUBLIC COMMENTS

A gentleman in attendance asked about annexing to the District in order to develop property on Hazel Lane. He was advised that District Ordinance 87-51 does not allow annexations to the District. At the present time the District has another 1200 units to be developed.
