**AGENDA ITEM**  
**2**  
**JANUARY 5, 2010**

**DISCUSS NEXT ACTION ON MILLER PARK AND DISTRICT PARK POWERS**

**ITEM**

Discuss direction forward on Miller Park and activation of park powers [Forward Recommendations to Board].

**BACKGROUND**

December 16, 2009, the District held a protest hearing for Park Maintenance District No. 1. The protest succeeded and therefore the Assessment failed. A summary break down of the vote is provided below and the Assessment Engineers detailed report is attached.

	No. of Ballots	Total Value of Ballots	Percentage	No. of Ballots		Total Value of Ballots
Yes	79	\$2,747.56	43.7%	Primary	24	\$2,038.74
				Secondary	55	\$708.82
				Total	79	\$2,747.56
No	89	\$3,533.45	56.3%	Primary	32	\$2,350.01
				Secondary	57	\$1,183.44
				Total	89	\$3,533.45
Total	168	\$6,281.01	100%			
Invalid votes	11	\$561.79				
Late submission	1	\$12.49				
Non-Deliverable	9	\$90.37				

Since 2006, the District has incurred nearly \$109,000.00 in cost attributable to developing park powers and conducting the protest vote, including a May of 2007 phone survey conducted by a consulting firm (see attached summary of expenses). These costs do not reflect the numerous hours of staff time dedicated to this effort over the past three years.

Currently the District is planning over \$30 million dollars in capital projects in the near term (Water line intertie and Southland Wastewater upgrade) along with numerous other capital projects (Willow Road waterline, Misty Glenn intertie, shop storage expansion and others). District staff is currently led by an *Interim* General Manager and staff depends heavily on consultants to assist in meeting current demands.

Despite survey feedback and outreach efforts conducted by staff, including an informational public meeting conducted on November 30, 2009, the hearing results surprised staff. The negative result also serves as an indicator for the level of effort that will be required if the District is to be successful on the much larger task of conducting a successful protest hearing, District and Mesa wide for the water line project during the summer of 2010.

**RECOMMENDATION**

Staff recommends that the Committee discuss the information provided and any other information presented. Forward recommendations the Board of Directors.
