Dear Board Members

As a resident of Nipomo and the Commander of the Nipomo Veterans of Foreign Wars Post 10978, I respectfully request that the NCS D Board support the "letter of intent" to serve water to Jim O. Miller Park at no cost. As you probably already know, there will be a Veterans Memorial built in the park. Thus, your support of this proposal will allow our residents greater opportunity to enjoy the outdoors as well as serve as a reminder of the enduring sacrifices made by veterans.

In preparation to write this letter I searched the internet for the names of Nipomo area service members who died serving our country. To my dismay I was not able to find the names of these courageous individuals. Therefore, it will be a privilege and an obligation to etch their hallowed names into the Veterans Memorial at Jim O. Miller Park, so that it will serve as a permanent teaching tool to our school children and all other residents. There may be some who would argue that a Veterans Memorial would glorify war and violence; however the opposite is true. The Veterans Memorial will serve as a reminder to our community that we should attempt to resolve all disputes peacefully and only resort to war as a last resort. The inscription of the names of those who valiantly surrendered their lives so that we may continue to be a free nation will serve as a reminder of the incalculable price that was paid to guarantee our freedom. Additionally the acknowledgement of the sacrificial contributions made by all veterans will further promote service to our beloved country.

Therefore in closing, the membership of the Nipomo Veterans of Foreign Wars commends your diligent efforts to develop Jim O. Miller Park. ~~And as you well know, the park will be a more viable presence in our community if it is served water at no cost.~~ Thank you very much for your support of this measure.

Sincerely,

Patrick M. Sturm
