**ACCEPT WATER AND SEWER IMPROVEMENTS
FOR MARIA VISTA ESTATES DEVELOPMENT**

ITEM

Accept water and sewer improvements for Maria Vista Estates (A.K.A Tract 1802/Tract 1856), a seventy-seven lot subdivision located off Orchard Road at Joshua in Nipomo [RECOMMEND ADOPT RESOLUTION ACCEPTING IMPROVEMENTS]

BACKGROUND

Upon completion of a developer's project, the District accepts improvements for the project after all requirements have been met. The Owner of Maria Vista Estates has installed water and sewer improvements to District standards and has met the District's standard conditions:

- Installed the improvements
- Paid associated capacity fees
- Provided the necessary paperwork, including the Offer of Dedication.

Regarding the Plan Check and Inspection Fees, the developer may owe the District for inspection and other costs that have yet to be billed to the District. Historically, the District has recovered these costs after the Board accepts the project as part of staff's project close out procedure. Staff will not physically set the meters for the new units until all of these costs are paid in accordance with the Plan Check and Inspection Agreement.

FISCAL IMPACT

The developer has paid the District Capacity Fee Charges for the project.
