Dear Mr. LeBrun,

My name is Anthony Kalvans, I am the current President of the San Miguel Community Services District. I hope everything is well down in Nipomo.

As you know, the Local Agency Formation Committee Election is coming up and I am running to be the new representative for the special districts. I am unfortunately out of the country attending to family business at this time but would be more than happy to attend your April 24th meeting, introduce myself to your board, and answer any questions they and yourself may have regarding the Lafco Election or about myself.

I look forward to hearing from you and working with your district in the upcoming years.

Sincerely,

Anthony Kalvans

Subject: Election of LAFCO Commissioner

Dear Fellow Special District Member,

I wanted to follow up with you regarding the ongoing election for Commissioner representing our Special Districts on LAFCO. I currently serve as your Alternate Commissioner and would sincerely appreciate your support to allow me to continuing serving as one of your representatives on LAFCO.

Even if your District has not voted in our previous elections, I hope you will vote in this election by casting your ballot for me in this election. Our email voting process makes it easy for each and every District to vote.

In my position as the President of the San Luis Obispo County Chapter of the California Special Districts Association, I have made an effort to reach out to all of our Districts and keep everyone informed and involved. As your LAFCO regular Commissioner, I will expand those efforts to make sure your District is fully informed and involved on LAFCO issues.

If you have any questions or would like to discuss any issue affecting your District, I can always be reached on my cell phone at 805-441-4466 or you can contact me by email at marshall@slolegal.com.

Thank you for your support.
