Dear Doug Jones & Board members:

I am interested in verifying the accuracy of the well data in Nipomo and am requesting a copy of well level data from the San Luis Obispo county. Although the data is public record Glen Britton has requested that I ask NCSD for a release for the data that the San Luis Obispo county has on your well levels. So I request a release letter for your well data held by the San Luis Obispo county.

Thank You

A handwritten signature in black ink, appearing to read 'John Snyder', written in a cursive style.

SUBJECT: Nipomo Community Services District Well Data

The District has received a request from Mr. John Snyder to acquire water levels of the Nipomo Community Services District wells which the County may have on file. This letter is authorization for you to release the water level data for the Nipomo Community Services District wells. Please provide a copy of the information submitted to Mr. Snyder to the District.

If you have any questions, please call.

Very truly yours,

NIPOMO COMMUNITY SERVICES DISTRICT

Doug Jones
General Manager
