Re: **Request to Inspect and Copy Public Records**

Dear Mr. Douglas Jones:

This letter is a request to inspect public records which are in the possession of the Nipomo Community Services District (NCS D) pursuant to the California Public Records Act (Govt. Code §6250, et seq.).

Following the inspection, we may request copies of some or all of the records.

In the event we request copying by the NCS D we will, at that time, tender any required copying charges. However, we reserve the right to have copies of the records made at your location by an independent copying service of our choosing.

Please make the records available for inspection beginning on **September 17, 1999 at 10:00 a.m.** Unless we are notified otherwise, we shall expect that the records will be available for inspection in the NCS D office. The following is a list of the reasonably identifiable public records which we desire to inspect on or after **September 17, 1999 at 10:00 a.m.**

- 1. All reports created during repair or maintenance of NCS D wells with a measure of: a) standing water level, b) pumping water level, c) pumping capacity or GPM during pumping water levels (such as those commonly found on Floyd wells or other contractor's Invoice, Repair order Invoice, or Well Drilling logs etc.) for the period beginning January 1, 1960 and ending September 3, 1999.**

If a portion of the information contained in the records we have requested is exempt from disclosure by express provisions of law, Govt. Code §6254 requires segregation and deletion of that material in order that the remainder of the information may be released.

Please take note that Govt. Code §6256 requires the NCS D to determine, within ten (10) days after receipt of this request, whether the NCS D will comply with this request. If the NCS D decides not to comply with all or any portion of this request, Govt. Code §6256 requires notification to us of the reasons for the determination not later than ten (10) days from your receipt of this request. Further, Govt. Code §6256.2 prohibits the use of any provision of the Public Records Act to delay access for the purposes of inspecting public records. Govt. Code §6256.2 also requires that any notification of denial of this request for records must set forth the names and titles or positions of each person responsible for the denial.

Thank you for your timely attention to our request.
