

Notice of Completion of Draft EIR

Project Title – Nipomo Community Services District Waterline Project

SCH# - 2005071114

Project Location – From the North End of Blosser Road in Santa Maria to the Intersection of Orchard Road and Southland Street in Nipomo, CA (Counties of Santa Barbara & San Luis Obispo).

Description of Nature, Purpose, and Beneficiaries of Project – The project involves the construction of a new pipeline and related pumping, storage and treatment facilities. The project is intended to provide the capacity to transport up to 6,300 acre feet per year of new water to the Nipomo Mesa to minimize the adverse impacts of groundwater overdraft in the Nipomo Mesa. The new water would in part replace water previously provided by groundwater wells and in part meet the needs of new development.
