Dear Bruce Buel:

Thank you for responding to my letter on Board Meeting Minutes.

You state "NCSO will provide the Board Meeting Minutes for 1990 through 2008 on separate disks by year".

There is no explanation for the need to provide each year on a single disk. A DVD has 4.7 Gb of data which would cover all the years on one disk. A CD has at least 550 mb and would also cover the data in a disk or two.

Considering the time to provide one disk using the "Ctrl" key to select 18 year would take about the same time as making a disk for each year, it does not seem reasonable to make 18 disks. Even given the extra 17 clicks needed to select all the years.

I request you reestimate the costs for the Minutes for 1990 through 2008 based on using the "Ctrl" key to select all 18 year to make a single disk.

Given the district has spent considerable time and expense making a paperless office this is a perfect example of how it can be usefull to keep the public informed.

Thank You

Harold Snyder

If you or the staff need any computer help with placing all the files on one disk please feel free to ask.

PUBLIC DOCUMENTS REQUEST DATED OCTOBER 14, 2009

Dear Mr. Snyder:

In response to your public documents request dated October 14, 2009:

Request #1 – The Board Meeting Minutes for 1990 through 2008:

NCSD will provide ^{not} the Board Meeting Minutes for 1990 through 2008 on separate disks by year. NCSD does not guarantee the quality of scanning nor can we guarantee that every document has been scanned. The cost will be \$15.00 per disk for 19 years which equals \$285.00. A deposit of \$285.00 is required prior to NCSD commencing the work. Depending on on-going staff work schedules, the disks should be available within 5 working days of the deposit.

Request #2 – The resulting Board actions such as Ordinances, Resolutions, Agreements for 1990 through 2008

This request is too broad. Government Code Section 6253(b) requires a Public Records Request to "reasonably describe an identifiable record or records". See additionally case of Roger v. Superior Court (1993) 19th Cal Appl 4th 469, 23 Cal Rptr, 2nd 412 holding that individuals should not be permitted to make general unfocused requests for public records to a public agency.

- Please identify the Ordinance and Resolution by number and Agreement by title and date.
- The current District Ordinances are available on line at ncsd.ca.gov. Most of the Code sections reflect the date of adoption.
- You may be able to identify the ordinances, Resolutions and Agreements from your review of the above referenced minutes, which will assist the NCSD staff in locating available documents.

If you have any questions, please call.

Dear Bruce Buel:

Thank you for providing the binders for review. In the process of reviewing the binders I noted that 1992 was scanned in 2007 and 1991 was scanned in 2006.

From that I conclude that Board Meeting Minutes have been scanned into computer format.

As such I request a disk CD/DVD with the scanned copies for the

The Board Meeting Minutes for 1990 through 2008

The resulting Board actions such as Ordances, Resolutions, Agreements for 1990 through 2008

My understanding is that it can be placed on a DVD or two at this time for \$15 per DVD.

Thank You
