Dear Don Spangnolo:

At the last SCAC meeting, 10/26/10 on the report for NCSD, as reported by director Winn, It was stated in reference to the Golden State Water company service area:

“those maps are still fluid ... I have seen some maps that show he is inside...”

I am making a public record request for any Golden State Water company (and/or other earlier names for the same entity such as California Cities Water company) service area maps of the Nipomo service area that NCSD has.

If you have any questions please let me know.

Thank You

Harold Snyder
