

# Straight talk. Straight answers.

## Attend to learn:

- ▶ Why our fresh water supply on the Mesa is seriously threatened;
- ▶ How we got here—the HISTORY behind Nipomo's fresh water problem;
- ▶ SEAWATER INTRUSION—how it could impact YOU and your community;
- ▶ The options considered to ensure an adequate, safe supply of fresh water;
- ▶ What PROPERTY OWNERS, in particular, should know about the options ahead.
