Dear Michael LeBrun:

In the past I requested copies of the audio from the 2005 NCSD board meetings. I received a disk with audio files. On the disk I received the audio from 8/10/05 meeting was not present. I also checked the few with some what odd file names to be sure it was not there and none of those were for the meeting in question.

I request a copy the audio from the 8/10/05 meeting.

I understand that a CD or DVD costs \$15 and I estimate that 1 CD/DVD will be needed.

Thank You

Harold Snyder
