Dear Michael LeBrun:

As you know I made a request on August 23, 2011 for
“the “**Letter**” that Mr. Harrison disclosed has been received **from**
“**Oceano**” on the issue of “**Sea water intrusion**” at the end of the August
23, 2011 board meeting on the Water Intertie project. Please make a paper
copy.”

On September 6, 2011 in the response you stated:

“In responding to Request #3 the District does not confirm your
interpretation of Mr. Harrison's statements referenced in your request for
public records. **The District has not received from Oceano a letter** on the
issue of sea water intrusion.”

I went back to the audio tape of the meeting and verify the exact words that Mr
Harrison used to describe the letter, he said:

Time>	comment
1:51:20.380 >	Bill Petrik, I would like to clarify the Oceano sea water intrusion incident.
1:51:27.532 >	Bill Petrik, I think that you really go back to Oceano that has responsibility for that well and ask them.
1:51:34.591 >	Bill Petrik, They will tell you, that was a Maintenance issue and there's nothing in the report that said it's sea water intrusion.

1:51:41.556 > Harrison, Well thank you for your input however we have a **letter from the attorney** that doesn't agree with you.

1:51:50.381 > Harrison, the attorney from Oceano, **we have on the letter from him**, that does not agree with what you just said.

I am making a public record request for a copy of the letter or letters that Mr Harrison is referring to.

He uses the words "**letter**" twice and "**the attorney from Oceano we have a letter from him**". In the context of the comment that was being replied to, it is clear that it has something to do with **sea water intrusion**.

Thank You

Harold Snyder

Mr. Snyder,
Thank you for your email.

I treated your September 7, 2011 email as an announcement of an forthcoming Public Records Request given its opening statement; "Following is a copy of the public record request that will be dropped off today. I thought you might like a copy of the recording in question to "confirm" your interpretation."

As such, the District took no action to respond to this email as we awaited the actual Request. I will review and respond the request that you delivered as noted below.

Thank you,

Michael S. LeBrun, P.E.

Michael

You did not receive the paper copy as I intended. Mike Winn was very verbose at the WRAC meeting and I did not get back before 4:30pm you closing time.

I dropped off the paper copy today 9/12/11 at about 4pm.

But thanks for acknowledging the receipt on 9/7/11 of the operative email copy of the public record request.

John Snyder.
