

Vote over, signs out

To the Mesa Community Alliance folks: Remember all of the “No on the NCSD pipeline” signs that you littered Nipomo with? Time to take them down. Please make sure that you remove each and every one of them. Thank you.

Just don't get it

Yet another editorial supporting the Nipomo Community Services District's inappropriate assessment district and pipeline. The fact that you cite the cost of the pipeline without the incredibly expensive water costs that must flow with it is but one example of your “drinking the Kool-Aid.” I only have five words for you: You just don't get it.
