Dear Mr. Snyder:

SUBJECT: RESPONSE TO JANUARY 13, 2012 PUBLIC DOCUMENT REQUEST

Please accept this letter in response to your letter of January 13, 2012, which the Nipomo Community Services District (District) interprets as a request for public records.

Your letter of January 13, 2012, states in relevant part:

"The following is a list of the reasonably identifiable public records which I request copies of:

1. *I am making a public record request for an electronic copy of the Autocad drawing file with at least the following layers:*

1. *The NCSA service Area boundary*
2. *Parcel boundaries for the parcels within the NCSA service Area.*

If there are other layers that's ok.

If a portion of the information contained in the records we have requested is exempt from the disclosure by express provision of law, Govt. Code 6354 requires segregation and deletion of that material in order that the remainder of the information may be released."

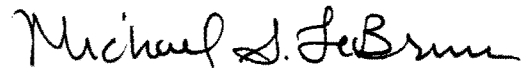

The District does not have Autocad drawings of the documents requested.

The District is attaching a map, at no charge, of the boundary of the NCSA service area boundary that includes parcels within the NCSA service area.

If you want the District to copy the attached map onto a CD, please contact Lisa Bognuda at her telephone number. Please allow three (3) working days to process.

Very truly yours,

NIPOMO COMMUNITY SERVICES DISTRICT
